3Y/B, BOUVET ISLANDS

Mark Demeuleneere, ON4WW, has been granted permission by the Norwegian Polar Institute to land and reside on Bouvet Island during the mid-January until mid-April 2016 time frame.

This will be a ham radio DXpedition with the sole purpose of providing worldwide contacts with Bouvet Island, currently ranked #3 on the different DXCC Most Wanted Lists. This will be a 3 month DXpedition carried out by one person with a target to make 100,000 QSOs on CW, SSB and RTTY on all HF bands. (Note: Bouvet will move up to #2 after Navassa has been activated in 2015).

Whether or not this DXpedition will take place depends on the next big hurdle, funding. An interesting Web page has been designed which provides more background information and full details with some great pictures, as well as details on his funding approach at:

The DXpedition will be a maximum of fourteen days. The exact dates in January will be determined by USFWS mission requirements and weather windows.

Our experienced team of fifteen is complete and is ready for the challenge. The weeks ahead will be extremely busy as the team has less than 90 days before the DXpedition comes on the air.

January is the month of minimum bird nesting activity and this is the primary reason USFWS is asking that the operation be completed during that month. However, the weather is unpredictable in January and because Navassa is surrounded by cliffs, this may preclude a safe landing by boat. For safety reasons and in order to maximize our time on the Island and on the air, a helicopter operation is planned. Navassa is over 100 miles (160 km) from the nearest helicopter staging point and as many as ten round trips will be required at the beginning and end of the operation. Obviously, this means that there will be a significant cost for activating this #1 ranked DXCC entity.

In the next few weeks, we be working with USFWS and as details firm up, we will issue periodic press releases. Check our webpage, <<http://www.kp1-5.com>> for more details of the operation and how you may financially support this DXpedition.

The KP1-5 Project team has committed to fund 50% of the total costs. We are hopeful the DX community at large will fund the remainder.

RE: Navassa 2015

Date Oct. 29, 2014

We are pleased to announce that the new Navassa 2015 DXpedition website is up and running. It can be found at www.navassadx.com.

Also, it is official...our call sign will be K1N.

Team members are: AA7JV, K0IR, K4UEE, K5AC, K9CT, KT4TTT, N2OO, N2TU, N4GRN, N6MZ, NA5U, NM1Y, W0GJ, W6IZT, WB9Z.

We will update the website often as more information becomes available. We are working closely with the USFWS and are pleased with their "can do" attitude. We should have specific dates shortly, but the team has cleared their schedules to be available for the two week operation starting in late January 2015.
